O R D E R:

A suggestion has been made that the following changes in the organisation of the Agricultural Department may be effected as a measure to provide for better supervision of the work done in the districts:-

(i) bifurication of the districts other than vizagapatam, Tanjore, Malabar (which have already been bifurcated) and the Nilgiris (which is but a small one), and placing each of the bifurcated districts in charge of a separate District Agricultural Officer.

(ii) conversion of the posts of Regional Deputy Directors into those of District Agricultural Officer's and the sanction of the required number of additional District Agricultural Officers for appointment to the bifurcated districts ; and,

(iii) abolition of the posts of Personal Assistants to District Agricultural Officer's. The Government have examined the above suggestions in consultation with the Director of Agriculture. The Director of Agriculture has reported that the continuance of the Regional Deputy Directors and Personal Assistants to District Agricultural Officer's is essential for efficient administration and that it will be sufficient if an additional District Agricultural Officers is passed to each of the ~~that~~ heavy districts such as East Godavari, Guntur, Chingleput, Salem and Mathurai. The Government accept his recommendations. The Director of Agriculture is requested accordingly to submit detailed proposals forthe appointment of additional District Agricultural Officer for each of the heavy districts.

(Sd) M.A. Kuttalalingam.
pillai.
Secretary to Government.

To
The Director of Agriculture.
